Outperform the Competition with Custom-Fit Career Services

Gain the momentum to reach your goals with individualized career coaching. The Fox Center for Student Professional Development offers personalized—and powerful—career services that will outperform your expectations.

Professional development services include:

• Assessment tools and resources for developing industry awareness
• Skill-building career workshops
• Resume critiques and impression management guidance
• Mock interviews with industry professionals
• Credit-bearing professional development course and leadership development training
• Completion of professional development requirements to prepare for on-campus recruiting activities
• Recruiting events with dozens of national, regional, and local corporations

Connect with CSPD corporate partners through:

• Robust internship and full-time job postings via the FoxNet portal
• On-campus recruiting program
• Executive speaker series
• Major recruiting events in fall and spring
• Corporation site visits

97.4% of Global MBA students seeking employment accepted an offer within three months of graduation.
